Susan Allport : A Natural History of Parenting: A Naturalist Looks at Parenting in the Animal World and Ours before purchasing it in order to gage whether or not it would be worth my time, and all praised A Natural History of Parenting: A Naturalist Looks at Parenting in the Animal World and Ours:

Anyone who has ever held a baby--or observed a nesting bird--will find much to inform and entertain in this enchantingly written and thoroughly researched book. Allport revels in the marvelous diversity of care in the animal world. She shows us our place in that world with great humor, knowledge, and common sense.
